ORDER:

In the reference 1st read above, M/s.KIA Motors Corporation (KMC) has requested the Government to designate the surrounding area of the Project Site (Erramanchi, and Gudipalli Villages, Anantapuramu District) covering a radius of 2 (two) Kms as a complete prohibit industrial zone to prevent any air pollution affecting the quality of air required for the paint shop and storage/parking of automobiles, automobile components and parts thereof. In addition, KMC also requested that the adjacent zone covering radius of eight (8) Kms as non pollute industrial zone, effectively ensuring a ten (10) Kms radius of the Project Site shall be notified as a controlled zone as per pollution control board norms.

2. In the reference 2nd read above, the State Investment Promotion Board in its meeting held on 21.04.2017 discussed the issue with the Environment, Forest Science & Technology Department and they have agreed to notify 2 KM radius as a prohibition zone for Highly Polluting Industries and 8 KM radius (Total 10 KM radius) as a restricted zone to allow restricted activity.

3. Accordingly, the Board directed the Industries Department to issue necessary notification duly prohibiting Red and Orange category industries within 2 Kms prohibition zone, allowing only green and white category industries and prohibiting Red category industries within 8 Kms restricted zone and allowing orange, green and white category industries.

4. In the reference 4th read above, orders were issued extending the incentives to M/s.Kia Motors Corporation (KMC) and its Associations & vendors to set-up a car manufacturing facility at Erramanchi and Gudipalli Villages, Penukonda (M), Ananthapuramu District as decided by the SIPB.

5. In the reference 7th read above, the Environment, Forest Science & Technology Department have concurred the proposal under section 5 of the Environment (Protection) Act, 1986 (Central Act No.29 of 1986) read with the explanation under section 5 and the notification issued by the Government of India vide S.O.152-(E), dt.10.02.1988 published in Gazette No.54, dt.10.02.1988.

6. In the reference 8th read above, permission for change of name of M/s.KIA Motors Corporation (KMC) as M/s.KIA Motors India (P) Ltd., was accorded for implementation of the Project at Erramanchi & Gudipalli Villages, Penukonda (M), Ananthapuramu District for setting up of a Car manufacturing facility.

(P.T.O.)

7. Government, after careful examination of the issue have decided to prohibit the location/expansion of air polluting Industries near the Project Site within a radius of Ten (10) Kms i.e. prohibiting Red and Orange category industries within 2 Kms as prohibition zone, allowing only green and white category industries and prohibiting Red category industries within 8 Kms restricted zone and allowing orange, green and white category industries.

8. Accordingly the following notification will be published in the Extraordinary issue of A.P. Gazette:

NOTIFICATION

And whereas, the Government of Andhra Pradesh is facilitating establishment of a Car Manufacturing facility at Erramanchi and Gudipalli Villages, Penukonda Mandal, Anantapuramu District by M/s.KIA Motors India (P) Ltd., in an extent of 812.43 Acs out of which an extent of 587.84 Acs have already been allocated.

And whereas M/s.KIA Motors India (P) Ltd., has requested the Government to designate the surrounding area of the Project Site (Erramanchi, and Gudipalli Villages, Ananthapuramu District) for a radius of Two (2) Kms as a complete prohibit industrial zone to prevent any air pollution affecting the quality of air required for the paint shop and storage/parking of automobiles, automobile components and parts thereof. In addition, to this zone the adjacent radius of Eight (8) Kms as non pollute industrial zone, effectively ensuring a Ten (10) Kms radius of the Project Site as a controlled zone as per pollution control board norms.

And whereas the issue was discussed in the SIPB meeting held on 21.04.2017 with the Environment, Forest Science & Technology Department and A.P. Pollution Control Board in detail and the "Environment, Forest Science & Technology Department agreed to the proposal to notify 2 KM radius as a prohibition zone for Highly Polluting Industries and 8 KM radius as a restricted zone to allow restricted activity. (Total 10 KM radius). The Board (SIPB) directed Industries Department to issue necessary notification. However, M/s.KIA Motors India (P) Ltd., requested for a separate notification. This notification is as per the enabling provision provided in the Backward Area Ultra Mega Integrated Automobile Policy, at Clause No.5.3.4, issued vide G.O.Ms.No.40 Ind & Com (P&I) Dept dt.08.03.2017.

Now, therefore, in exercise of the powers conferred under Section 5 of the Environment (Protection) Act, 1986 (Central Act No.29 of 1986) read with the explanation under Section 5 and the notification issued by the Government of India vide S.O.152-(E), dt.10.02.1988 published in Gazette No.54, dt.10.02.1988 Governor of Andhra Pradesh hereby prohibits the establishment of Red and Orange category industries within 2 Kms, allowing only green and white category industries and prohibiting Red category industries within 8 Kms restricted zone and allowing orange, green and white category industries.

Provided that the modernisation of industrial units within the prohibited areas can be permitted if it is aimed at reducing the existing pollution load at the point of generation by adopting process modification, raw material changes or any other improvements within the existing unit by applying clear technology. For such type of change the industry should make an application to the A.P. Pollution Control Board for fresh consent for establishment.

Contd.....P.3

Provided further that all applications for process/product mix changes will be considered subject to change, measurably reducing the pollution load at point of generation in each of the applicant's units in al forms i.e. gaseous, liquid and solid.
